# FROM THE PRESIDENT'S DESK

Reno Eitel,  
*GFWC Maryland President*

Dear Federation Friends,

It is with bittersweet sadness that I write my final President's Letter to you ... sweet because of all the wonderful memories and times shared with you and sad because it is coming to an end. It has truly been an honor to serve as your President and I will always cherish this wonderful opportunity you have given me. Thank you!

Are you planning to attend the GFWC-MD 119<sup>th</sup> Annual Convention? I'm very pleased to share with you the news that this year's Convention will be a combined General/Junior meeting – a first for our State. Come hear the "Out of the Box" reports, experience a newly formatted Youth Art exhibit, enjoy interesting speakers and appreciate the company of your fellow Maryland Clubwomen. You will see in the Convention Highlights, published in this issue of *The Maryland Clubwoman*, there will be much to enjoy and participate in, especially the special service projects. Please note the Official Call to Convention will be mailed separately, and will include all of the details needed for attending and planning your stay at the Sheraton Columbia Town Center Hotel in Columbia, MD. I look forward to seeing you there.

Club, District and State Nominating Committees are hard at work recruiting leaders for the 2018-2020 Administration. Please consider taking a leadership position to help move our State Federation forward. If you are a member of the new "Chesapeake District" (Baltimore, Southern and Eastern Shore), think about how exciting it could be to be a part of this newly created District. If you receive a call from a nominating committee member, please consider saying "yes". Maryland Federation needs you.

Maryland Federation recently lost two outstanding clubwomen, Barbara Frantz, GFWC Civic Club of Oakland, MD. Inc., and Carol France, Frederick Woman's Civic Club. Their fellowship, spirit and dedication to Federation will truly be missed. Our hearts and prayers go out to their families and Federation sisters.

Club reports arrived in my mailbox by the dozens and I enjoyed reading all about the hard work you do in your communities. You truly inspire me.

Thank you again, for placing your trust in me to represent you as the 2016-2018 GFWC-MD President. It's been a great two years filled with great joy, discovery, travel and love as we worked together, "Women Creating Positive Change ... Living the Volunteer Spirit".

In Federation Friendship and Love,

*Reno Eitel*

GFWC Maryland President

# FROM YOUR JUNIOR DIRECTOR

Dear Federation Sisters,

It has been so rewarding to read the club reports. GFWC Maryland clubwomen have accomplished so many projects that have had an amazing impact on our communities. I applaud you all for the countless volunteer hours, monies raised and donations made that made the difference in the lives of others. Thanks for living the volunteer spirit!

As the seasons change, we open our minds to a time of growing. The weather grows warmer and we welcome a new beginning.

As this administration draws to a close, I wanted to take a moment and thank each of you for your constant support and for your dedication to this organization. Through my two years as Maryland Director of Junior Clubs, I have enjoyed shedding light on children's literacy and working on service projects that directly benefit children in need in an effort to foster a greater love for reading and stronger literary abilities. I hope your clubs will continue to think of new projects to benefit children in your area and report it under Advocates for Children.

Rebecca Wagman,  
GFWC Maryland Junior Director

Our next Junior meeting will be at the Maryland Convention April 21<sup>st</sup>-22<sup>nd</sup>. This year we are changing the way convention is run. We will be holding a joint General and Junior meeting where we will celebrate together the successes of 2017 in a fun-filled and meaningful way. I hope to see many Juniors at this event! Here are some highlights to look forward to: a Junior Executive Committee skit, Saturday Night Bingo, a Junior Awards Ceremony, "Out of the Box" Awards, a Linus blanket service project, a Tummy Tamers food box service project, Installation of new officers, and guest speaker Kendel Ehrlich.

Thank you for the opportunity to serve GFWC Maryland as Director of Junior Clubs - I look forward to seeing all of you at the 2018 GFWC Maryland Annual Convention!

In Federation Love,

*Rebecca Wagman*

# JUNIOR MID-WINTER RALLY REPORT

The members of GFWC Maryland gathered for a meaningful day of service in Pocomoke City, Maryland. Our day of service included traveling to the Pocomoke Public Library where members read donated Dr. Seuss books to children, decorated bookmarks, hung up reading posters and décor, and filled supply boxes for local teachers. Members even handed out snacks to the children present at the library.

In the afternoon, members enjoyed an amazing lunch provided by XO Beanery & Bites in downtown Pocomoke City. Members discussed changes for the upcoming Maryland Convention in April and our slate of Junior Officers for the next administration. It was a successful day coming together to make a difference in the lives of others!

## REPORT OF THE NOMINATING COMMITTEE

Additional nominations may be made from the floor, except for the director of junior clubs, provided the consent of the nominee shall first have been obtained.” —ARTICLE IV, Section 2, paragraph 2 of The Federation Bylaws (page 70)

# PROPOSED AMENDMENTS TO GFWC-MD BYLAWS

Pursuant to **Article XVII: Amendments to the Bylaws**, *The bylaws may be amended by a two-thirds vote at any annual meeting, provided the amendment has been proposed by the bylaws committee, the executive committee, or by a federated club; and a copy of the proposed amendment has been sent with the call at least six weeks before the annual meeting. Proposed amendments must be received by the chairman of the bylaws committee on or before February 1.*

## ARTICLE IV, Section 3 – Officers:

*Currently reads:*

These officers, with the exception of the vice-presidents ex-officio whose terms shall be prescribed by the districts which they represent, shall be elected by ballot at the annual meeting of the Federation held in the even number calendar years. A majority shall elect.

*Proposed Language to Amend is underlined:*

These officers, with the exception of the vice-presidents ex-officio whose terms shall be prescribed by the districts which they represent, shall be elected at the annual meeting of the Federation held in even numbered calendar years. The chair, after ensuring that no members present wish to make further nominations, shall call for voting by ballot for an officer when there is more than one candidate for an office. A majority vote shall elect. In the event that there is only one candidate for an office, ballots may be dispensed with and the chair may simply declare that the candidate is elected, thus effecting the election by unanimous consent or “acclamation.”

*Rationale:*

*This would permit the election of officers by unanimous consent or “acclamation” and dispense with the use of ballots for any office for which there is only one candidate.*

## ARTICLE IV, Section 5 – Officers:

*Second paragraph currently reads:*

In case of a vacancy among the other officers, the executive committee shall elect by ballot at a meeting called for that purpose a person to serve until the next election.

*Proposed Language to Amend is underlined:*

In case of a vacancy among the other officers, the executive committee shall elect a person to serve until the next election by unanimous consent or “acclamation” when there is only one candidate and by ballot when there is more than one candidate for the office in question.

*Rationale:*

*This language would make the two sections of the article mirror each other in the procedure for the election of officers.*

# PROPOSED AMENDMENTS TO GFWC-MD BYLAWS

## ARTICLE VI, Section 6 – Meetings:

*Currently reads:*

Twenty-five voting members of The Federation shall constitute a quorum.

*Proposed language to Amend is underlined:*

Eighteen voting members for The Federation shall constitute a quorum.

*Rationale:*

*Given the reduction of members from the past, it is desirable to have a reduced number of members necessary for a quorum so business can be transacted when The Federation meets.*

## ARTICLE IX, Section 6 – Board of Directors:

*Currently reads:*

Twenty-five members of the board of directors shall constitute a quorum.

*Proposed language to Amend is underlined:*

Eighteen members of the board of directors shall constitute a quorum.

*Rationale:*

*This language would mirror the proposed language to the aforementioned article and make the two sections consistent as regards quorum requirements.*

The following editorial changes to the MD Federation bylaws need to be made to make our bylaws compatible with the language used by GFWC.

## ARTICLE XI: Departments and Programs:

Delete the words “Departments and” from the title of the article so it reads “**Programs.**”

### Section I:

Delete the words “departments and” from the first line of the section so it reads: “The programs of work shall be authorized by The Federation or by the board of directors and shall conform as nearly as possible to those of the General Federation of Women’s Clubs.”

### Section 2:

Delete words “coordinators”, “departments”, and conjunctive language used with those words so the sections reads: “The chairmen of programs shall advise the dean of chairmen of their plans of work, which shall be approved by a committee composed of the dean of chairmen, the president, and one other member of the executive committee. The program chairmen shall make an annual report and such other reports as may be required by the board of directors.”

# PROPOSED AMENDMENTS TO GFWC-MD BYLAWS

The following are editorial changes to the MD Federation bylaws will be necessitated by the forthcoming consolidation of the Eastern Shore, Southern and Baltimore Districts and make no substantive changes in the way the MD Federation conducts business. They only reflect a reduction in the number of districts.

## ARTICLE IV: Officers:

### Section I:

Change the “five” to three so the section reads: “The officers of The Federation shall be a president, a president-elect, vice-president, the presidents of the three geographical districts who shall be ex-officio vice-presidents of The Federation, a corresponding secretary, a recording secretary, a treasurer, and a director of junior clubs. Only members of active clubs shall be eligible to these offices”.

### Section 2:

In the second sentence change the number “six” to four so the sentence reads: “The committee shall consist of four members: the chairman appointed by the president with the approval of the executive committee and one member to represent each district selected by the district”.

## ARTICLE VIII: Districts:

### Section I:

Change “five” to three geographical districts; delete “The Eastern Shore District, The Baltimore District, The Southern District” and add The Chesapeake District, so the section reads: “To facilitate the work of The Federation, it shall be divided into three geographical districts as follows:

The Western District, Inc. shall consist of Garrett, Allegany, Washington, Frederick, and Carroll Counties.

The Chesapeake District, Inc. shall consist of Baltimore City, Baltimore, Harford, Anne Arundel, Howard, Calvert, Charles, St. Mary’s, Prince Georges, Cecil, Kent, Queen Anne’s, Talbot, Caroline, Dorchester, Wicomico, Somerset and Worcester Counties.

The Montgomery County Federation of Women’s Clubs, Inc. shall consist of Montgomery County.

### Section 2, sentence 2:

Change the number of copies to be submitted from “nine” to seven so the sentence reads: “Seven copies of a proposed revision of the bylaws of any district shall be submitted to the bylaws committee of The Federation for approval in order to avoid conflict with The Federation bylaws”.

## ARTICLE X, Section 5 – Executive Committee:

Change the number “seven” to five so the section reads: “Five members of the executive committee shall constitute a quorum.”

## ARTICLE XIV, Section 3 – Committees:

**First Sentence:** Change the number “five” to three so the sentence reads: The bylaws committee shall consist of a chairman and a vice-chairman appointed by the president of The Federation with the approval of the executive committee, the presidents of the three districts, the director of junior clubs, and the parliamentarian in an advisory capacity”.

# MONTGOMERY COUNTY DISTRICT REPORT

Our charitable donation projects have done well this past year. Through our participation with the Montgomery County Thrift Shop, we received \$23,000 in dividends to fund Domestic Violence Awareness projects and other smaller projects. Our Montgomery College Foundation Endowment has now received right at the \$100,000 mark since it was established in 2010. Chairman Marge Shiflett of the Domestic Violence Awareness and Prevention signature project advises that donations were made of coats, clothing and shoes to children in shelters. Our ongoing project for the Regional Institute for Children and Adolescents (RICA) was realized when a new \$20,000 playground was dedicated at the facility.

The **Woman's Club of Chevy Chase** was honored to have Sheila Shea, GFWC International President speak, about positive change through volunteer service. The club collected business attire for organizations that provides clothing to formerly homeless individuals who are in search of employment. The club provided items for wounded veterans, helped Santa by collecting Toys for Tots, filled Comfort Cases with items that needed for foster care system and had a Mardi Bra collection of new and gently used bras. To foster increased membership, Chevy Chase established an Evening Section for those for whom an evening meeting is more convenient. In November 2017, the **Junior Woman's Club of Chevy Chase** held its regular meeting at the warehouse of the Greater DC Diaper Bank. The members wrapped hundreds of diapers for families in need. Because **GFWC Woman's Club of Laurel** has 11 new members, club members are infused with new energy and ideas. The club held a New to You Boutique selling gently used jewelry and accessories; hosted our annual Breakfast with Santa; walked with community partners to a local cemetery to honor veterans by laying wreaths on their graves; participated in Main Street Trick or Treat; and held a fundraiser at a Tex-Mex eatery. The **GFWC Silver Spring Woman's Club** membership stands at 29. The club continues to support Smile Train, Save the Bay, Montgomery College Scholarship Fund and donated to the American Red Cross. The club held a Bazaar with almost all members becoming involved by baking, sewing, pricing, and looking for those popular attic treasures. The club netted \$600 that went to its Montgomery Scholarship Fund. The Silver Spring ladies continue to volunteer at the Montgomery County Thrift Shop. The club members are pleased to host the March 2018 district Federation meeting. We would be remiss if we didn't make special note of the April 2017 death at age 103 of our dear, dear Mabel Sawhill. Mabel was a member of the Woman's Club of Bethesda and honorary member of several clubs. After retiring from a regular job in her sixties, she took up catering, including meals for district and individual club meetings right up to the very end. We miss her positive outlook, but oh what an inspiration she was to all who knew her! In addition to its craft fair and annual wreath sale, the **Metropolitan Community Club** provided Comfort Cases for several foster homes. Each backpack included pajamas, toiletries, a stuffed animal, blanket, book, and writing materials. The club also collected 870 diapers for single mothers and sponsored a drive to collect boxer shorts and socks for teenage boys in one of the youth homes. On a personal note, this will be my last report as president of the Montgomery County Federation of Women's Clubs. It has been an honor to represent the fantastic clubs and generous women of this amazing district. Thank you so much for all the good you do to benefit our community and our Federation.

In Federation Love,

*Kitty Cash*

# WESTERN DISTRICT REPORTING

The GFWC Centennial Club of Western District consists of past district presidents. Their members are also active in their own local clubs, and most continue to volunteer for our district, our state, and our region. The club has contributed to Betty M. Sippel Memorial Endowment Fund, WHRC, Tree-mendous Maryland, Save the Bay, HOBY, Shot @Life, and SHIP. They have collected mittens and scarves that were given to an elementary school in Westminster.

Frederick Woman's Civic Club is proud to complete its fourth full year of having Historic Steiner House as the drop off point to receive community donations for Heartly House, the battered women's shelter. They are open for donations every Tuesday of the year. They have taken in over \$50,000 worth of donations throughout this year alone. Their members are known to help unload donations and then help reload them when picked up to go to Heartly House.

We are still in a state of disbelief that our dear Barbara Frantz is gone. Barbara passed away suddenly on January 9, a day after she had surgery. I am sure many of you know better than I how active she was in the state organization for many years. She was a beautiful woman, always with a smile and a word of encouragement. She was the 'face' of the Oakland Club's Antique Show, welcoming vendors and working tirelessly to find new ones every year. Her shoes will be hard to fill, and we will miss her terribly. On a happier note, the Oakland Club did add 10 new members last year, many because of an Open House that they held in May.

The GFWC Western Maryland Community Club is small but busy. They continued their project of Dawn's Closet who works with the homeless people of Cumberland including many veterans. They supply socks, coats, personal items, clothes and anything she informs us that is needed for her clients. Food was given to our local Salvation Army, lunches for children during the summer months and Union Rescue. They continue to give Arts supplies and money to Friends Aware, an organization for challenged people in our community. A donation is collected each month for our continuing project, Operation Smile.

The Westminster Generals Club partnered with Rape Crisis Intervention Service to organize and host a Domestic Violence Forum event which was attended by over 100 people. Speakers included representatives of the Rape Crisis Intervention Service, Family and Children's Services, the Task Force on Human Trafficking, and the State's Attorney.

The Junior Club of Westminster collaborated with Family and Children's Services to host a 5K run/walk for Domestic Violence Awareness. They solicited sponsors and the local newspaper published an article about the race. A candlelight vigil was held prior to the race to raise awareness of domestic violence, remember victims, and honor survivors. The event raised \$2000 for the local domestic violence safe house.

They held their 25<sup>th</sup> annual "Everything Children" Consignment Sale. Projects included hosting a National Night Out event, awarding college scholarships, co-hosting a 5K for Domestic Violence awareness, serving as judges for the local Halloween Parade, collecting items for the local domestic violence shelter, Salvation Army Angel Tree project, and making blankets and comfort bags for breast cancer patients.

Warmly,

*Jo Harp*

# FUNDRAISING

Believe it or not, I am not asking you for money -- yet! Although we have only been together during the Fall, and during this past February meeting, I would like all the Maryland Clubwoman to know that if you ever need a gift idea for that “hard to buy for” friend or family member, I am always happy to assist you. I have a wealth of gift ideas and items in stock if you wish to purchase an item! It is a “Win-Win” for both of us -- you’ll be supporting our State Fundraising efforts and you’ll have a great present for that lucky person.

I do want to ask you for your assistance. I am always on the hunt for items to sell to our Clubwomen. If you have an idea for an item that you think others would like, send me an email! Better yet, if you see an item you think is clever, different, creative – take a photo of it, or buy it. I’ll reimburse you for it, and get it to me so I can get more stock to sell. I am always on the hunt to find treasures that are unusual and that our ladies might like to buy as gifts. I usually look in the \$3 to \$30 dollar range. If it is an item that can be sewn, I know my fair share of Clubwomen who can sew. A perfect example: Julie Gibbs was at a farmer’s market last summer and found “bowl cozies”!! She bought some for me to sell, and, well, the rest is history. I had my GFWC buddy recreate them and now, we sell the cute item for sale at a reasonable price. Don’t be shy -- help me out with some of your creative juices!!

We will be together at our MFWC Convention soon in April. I will have the old standby gifts that are popular and some new items for sale. We will also have our 50/50 boards, and our wonderful District Baskets Raffle opportunities! Of Course, Our Bingo Evening Event will be an outstanding time to enjoy each other’s company at convention and have FUN! Please get in touch with me with suggestions for gift ideas or to make a purchase!! Email me at [specht21@aol.com](mailto:specht21@aol.com) or call me at 301-461-8986. You Maryland ladies make my fundraising job absolutely terrific!

Warmly,

*Christy Swiger*

# MEMBERSHIP

I'm sure we've all had enough of winter's snow, ice, and cold weather.

We're all looking forward to warmer days. Now is the time to plan our Spring Membership Planting. Wherever we go you're bound to meet someone to sow seeds for GFWC and your club. Direct them to your club website, and the GFWC website [www.GFWC.org](http://www.GFWC.org). Prospective Sprouts are everywhere.

**At the Office:** Invite a co-worker who has expressed interest in a project you are working on to accompany you to a meeting. Keep her special interest in mind at all times and point out a program that may interest her.

**At Social Gatherings:** Neighbors, friends, friends of friends, and even past members are all people to talk to about your club and the projects members are undertaking. Follow-up with a phone call or e-mail. Forward that lead to your clubs membership chairman.

**At Community Meetings:** Meetings of other organizations provide opportunities to discuss your GFWC club and share information about your projects. When working in collaboration with a person from another agency or group that is involved in a community service project, discuss the projects your club and GFWC are involved in, invite that person to your next meeting.

**At Local Schools:** Teachers, administrators, and parents of students who have benefited from, or participated in club-sponsored programs, projects, or scholarships are likely candidates. This is also a good place to recruit members for Juniette clubs.

**While traveling:** Wear your GFWC pin and emblematic apparel and start a conversation with the person sitting next to you. She may not be from your hometown but tell her about GFWC, share a GFWC tri-fold brochure, or offer to help her locate a club where she lives.

Remember to water often and continue to Harvest for GFWC,

Jo Harp

Membership Chairman

# PARLIAMENTARY PROCEDURE

## WHAT IS PARLIAMENTARY PROCEDURE?

It is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion. It's a time tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups. So it's important that everyone know these basic rules! These rules are relatively simple and follow courtesy, and common sense in many ways.

**Organizations using parliamentary procedure usually follow a fixed order of business. Below is a typical example:**

1. Call to order.
2. Roll call of members present.
3. Reading of minutes of last meeting.
4. Officer's reports.
5. Committee reports.
6. Special orders --- Important business previously designated for consideration at this meeting.
7. Unfinished business.
8. New business.
9. Announcements.
10. Adjournment.

**Members use motions to express themselves.** A motion is a proposal that allows the entire membership to take action or a stand on an issue.

### How are Motions Presented?

1. Obtaining the floor
2. Make Your Motion
  - a. Say, "I move that we ..." rather than, "I move that we do not ..."
3. Wait for Someone to Second Your Motion
4. Another member will second your motion or the Chairman will call for a second.
5. If there is no second to your motion it is lost.
6. The Chairman States Your Motion
  - a. The President will say, "it has been moved and seconded that we ..."
7. Putting the Question to the Membership
  - a. The Chairman asks, "Are you ready to vote on the question?"
  - b. If there is no more discussion, a vote is taken.
  - c. On a motion to move the previous question may be adapted.

### Voting on a Motion:

The method of vote on any motion depends on the situation and the by-laws of policy of your organization. There are five methods used to vote by most organizations, they are:

1. By Voice
2. By Roll Call
3. By General Consent
4. By Division
5. By Ballot .

Respectfully Submitted,

*Babs Condon*

# SAVE THE BAY

## WILLIAM BAKER, PRESIDENT OF THE CHESAPEAKE BAY FOUNDATION, WISHES TO THANK ALL OF THE MFWC WOMEN.

Did you know that our Maryland Clubs and Clubwomen have been donors to the Chesapeake Bay Foundation since 1984? We have donated well over \$125,000 to the Chesapeake Bay Foundation (CBF) to assist in their efforts to "Save The Bay"!

William Baker, President of CBF, sent us a wonderful letter to thank all of our clubs and individuals for their contributions this past year. He especially wanted to give his appreciation to MFWC for the \$1,000.00 contribution that was made this past December on behalf of the wishes of the GFWC Catonsville Woman's Club. What is so exciting is that MFWC made that last contribution at a time when the CBF Board of Trustees was "Matching" all donations made. Not only did the \$1,000.00 check become \$2,000.00, but many of our clubs also sent me checks that I forwarded off to the Foundation during December of 2017 and they were doubled!

Mr. Baker further stated that our clubs are making history: "By every measure, the Chesapeake Bay is healthier than it was even five years ago. Pollution levels are falling. Crab and Oyster populations are rising. Grasses are rebounding, and the water is clearer. The Bay's restoration has the potential to be the most dramatic example of environmental recovery ever seen. However, the Bay's future is far from certain. This is a decisive moment. Now more than ever, we must accelerate our efforts to defend and advance the Chesapeake Clean Water Blueprint. This year, CBF will fight for the Bay to become the model of environmental improvement -- collaborative restoration based on science that can restore watersheds and clean water across the globe -- all while enriching the lives of the watershed's 18 million residents. Our efforts today create a cleaner environment tomorrow. Together, we can ensure the greatest environmental success story ever happens right here at home. I want to thank you and all the members of the Maryland Federation of Women's Clubs for standing with us to make history."

Mr. Baker asked me to relay to you his best wishes and thanks you all very much. He is extremely grateful. Both Mr. Baker and I wish to personally thank the following clubs for their generous donations this past year: Centennial Club of Western District\*, Frederick Woman's Civic Club\*, Junior Chevy Chase\*, Glyndon\*, Laytonsville\*, MFWC\*, Perry Hall, Myrtle, Westminster, Wicomico, Junior Westminster, Linthicum Heights, Chevy Chase, Laurel, Dundalk, Western MD Community Club. The asterisk\* denotes that their donations went in when the funds were matched.

It is not too late to support the Chesapeake Bay Foundation and be recognized at our upcoming convention in April. Please mail your donations made out to the Chesapeake Bay Foundation to me:

Christy Swiger  
117 Comanche Circle  
Millsboro, DE 19966.  
Phone: 301-461-8986  
Email: specht21@aol.com

Remember: you will even get a gift from me at convention if you have made a donation. Don't wait -- get your club to add it to your budget as a yearly contribution, or pass the basket and round up your members to throw in some cash for a donation. Get

in touch with me if you need information or wish to join this elite group of women that are saving the bay one contribution at a time!

# MEMORIAL AND TRIBUTE

**Barbara Jean Frantz** passed away unexpectedly on Tuesday, January 9, 2018. She was 80 years old. ## JO ROUSSEAU

Most members of the MFWC either know or have heard of Jo Rousseau, Honorary GFWC Maryland President 2000-2002. She is known for always having a generous ear and hug for all she sees. As this article is being prepared for submission, Jo and her wonderful husband Jerry are on the road for their permanent relocation from Salisbury, MD to Boca Raton, FL, where they will be living in what Jo calls an "outlaw" suite with their daughter and her family. Jo is a decorated Federation woman who has served in many positions in MFWC, including State President, Vice-President, and Eastern Shore District President. Internationally, she was President of the Past State Presidents Club, and ambassador for the Shelby Stars. Jo is one of those ladies who has mentored us all in countless ways over the years and will no doubt continue to do so now, albeit from a distance. The members of her club, GFWC Wicomico Woman's Club, Inc., and the members of the Eastern Shore District will miss her very much. However, in this digital day and age, a person is only a phone call, text, or skype away. At this time, it is not clear if her email will remain the same and we will let everyone know as soon as we know what it will be. Her new contact information is:

Jo and Jerry Rousseau
