From the President’s Desk

Dear Maryland Clubwomen,

It is difficult to imagine that a year has passed since I was installed at the GFWC Maryland President. And what a year it has been! Our clubwomen have embraced the theme “Clubwomen give life a sparkle by living the volunteer spirit” with such enthusiasm. We celebrated all the accomplishments for this past year at our annual Junior/General Convention at the Crowne Plaza Hotel Annapolis. It was so heartwarming to be part of the fun with friends as we shared the weekend. We all know “We can do it!” just like Rosie the Riveter.

I have enjoyed visiting districts, club meetings, and social events across our state. We are so blessed to live in beautiful Maryland with all the opportunities to enjoy from the mountains to the sea. We’ve travelled to North Carolina for a beautiful SER and to Texas for the annual GFWC Convention. What fun to spend time with our friends and fellow clubwomen.

Maryland’s September Board of Directors Meeting will be hosted by the Western District at the Holly Hills Country Club of Ijamsville, Maryland. The drive to this beautiful location traverses much of our state for many of us. Once there, you are rewarded with such a welcoming facility. Join us as we prepare for the new year of club work. We will have a LEADS presentation in the afternoon and participate in a Christmas-in-September gift card service project for the men and women stationed at Fort Detrick in Frederick.

This year’s Southeastern Region Conference (SER) will be in Richmond, Virginia. Please note the date change to September 28, 2019. Mark your calendars! Information will be shared as soon as the Call is received. This is a beautiful time of year to make the short trip to scenic Virginia for SER.

I’d like to thank everyone for their support this past year. Your efforts have been so appreciated and provided so much benefit to so many as you have proved that “Clubwomen give life a sparkle by living the volunteer spirit”!

With Federation Love,

**Dottie Gregg**

Dottie Gregg
GFWC Maryland President, 2018-2020
Dear Maryland Clubwomen,

The sun is shining, the air is warm, and this is the time that reminds me of all that we have accomplished in a year. In writing my annual report I was reminded what a great heart the juniors have and how we can share the true meaning of volunteerism. I hope you will join me in the excitement of a new year and my second and final year of this administration. I feel blessed to serve such an amazing state full of vibrant clubwomen in every level of membership.

At this year’s state convention, our juniors came together to celebrate our year of service. Our convention was, without a doubt, full of laughter, new friendships, and inspiring words from a wonderful fellow clubwoman. During the junior portion of our convention, we recognized clubs for their outstanding service and clubwomen for giving of their time and efforts to make a difference in their communities. We also recognized outstanding rookie and seasoned clubwomen with awards for service far beyond their clubwoman duties. We held a clubwoman fun night with a wine tasting and girl scout cookie pairing and gave trees for door prizes in celebration of Arbor Day. I was unable to attend the GFWC International Convention in Austin, Texas, as my family was celebrating the wedding of our fourth and youngest child, Gregory. In my stead, our Director-Elect carried in our state flag during the Opening Flag Processional. As much as I was saddened at being unable to attend, I was elated to marry off our last child to a wonderful young lady whom we adore and welcome into our family with open arms. That being said, I can’t wait to see my friends at the Board of Directors meeting in Washington DC.

This fall, the juniors will be having our Junior Fall Conference, hosted by the Cumberland Juniors. This will take place on a Saturday in October. Please keep an eye out for more information such as date and time. Remember to keep Maryland beautiful and clean as we start our service projects for the year. Save the Bay and Tree-Mendous Maryland are two worthwhile causes, so let’s “Take everyone out to the Park” this fall. I would love to attend your events and meetings. So as you fill up your calendars, remember to extend an invitation to your Director of Junior Clubs! Enjoy your fall!

In Federation Love,

Andrea Lilly

**Rookie of the Year**

Lori Becker, recipient of the Rookie of the Year award, joined the Junior Woman’s Club of Pocomoke City in 2017. She is a member of the Fundraising Committee, Membership Committee, Thanksgiving Needy Families Committee, and the HOBY (Hugh O’Brian Youth Leadership) Committee. Lori is eager to pitch in at club events. She helped establish a very successful fundraising opportunity for our club by collaborating with a restaurant chain. It helped bring in funds, allowing our club to continue supporting our community. Lori also joined forces with our local schools to help find families that were in need of Thanksgiving Day meals and helped deliver them to families in our community.

**Babs Condon Award**

Rebecca Wagman is the recipient of the Babs Condon Award. After ten years as a Juniorette, and six years as a Junior, she has served in numerous positions, including Co-President. Becca held numerous positions on the Junior State Board. She was Maryland Director of Junior Clubs from 2016-2018 and LEADS Co-Chairman and committee member from 2012-2016. Becca does not hesitate to roll up her sleeves and help with all our projects. She volunteers to help in areas where she has strengths and areas she wants to learn from and to develop new skills and strengths. Despite a full schedule, she is always there to support the club.
Maryland Convention Highlights

President Gregg and Junior Director Lily at the convention’s wine tasting fundraiser. On the Friday night before convention, the Junior Clubs hosted a wine tasting fundraiser. Clubwomen paid $10 each to sample numerous wines and eat cheese, crackers, and cookies. The money raised will be split between St Jude’s and the March of Dimes.

As part of the International President’s Seven Grand Initiatives, President Gregg asked clubwomen to donate Dr. Seuss books toward the initiative.

Thanks to the donations of Dr. Seuss books by the Maryland clubwomen, 196 books were divided between each of the District Presidents to donate to local daycare centers.
Baby Shower for Military Wives

At the February 19th, 2019 Maryland Board of Directors Meeting, everyone was encouraged to bring baby shower gifts for military wives in the area. Many of these military families are stationed in other locations far away from family and friends. As such, they don’t have people to help them, both financially and emotionally. These gifts were an effort to show the ladies that we appreciate the sacrifices they make. Clubwomen responded enthusiastically to this program by donating approximately $4,600 in gifts.

To follow up, Dottie Gregg and Carol Feser attended the baby shower held on May 2. The expecting mothers received gift cards for their older children. Everyone received a large basket of gender-specific items as well as other gifts.

“Broadening Our Horizons” was the theme of the 2019 GFWC Convention held at the J. W. Marriott hotel in downtown Austin, Texas. Trips offered included Ziplining, Waco, GFWC Texas headquarters and historical locations in Austin. Meetings found attendees learning Texas phrases like “Bless Your Heart”, “Y’all Come Back” and the inclusive “Y’all”. Six hundred and sixty-one members attended with first time attendance by delegates from Taipei, Taiwan and Belize among them. Bylaw changes were presented and voted on. Awards were distributed on Saturday and Sunday. Workshops were held covering information on GFWC Partners, Fundraising, and GFWC Projects. Juniors’ dinner “Trailblazing Together” was followed by their “Lip Sync Challenge Fun Night” – and fun it was! Sunday, Joseph Starita, a Texas professor, spoke about Dr. Susan La Flesh who is the subject of his book, “Warrior of the People”. A Nebraska native American, she was a remarkable woman whose life included becoming the first female admitted to the Philadelphia College of Medicine. She graduated first in her class and refused offers to stay in the East to practice instead returning to Nebraska where her practice covered 1,500 square miles where she treated 1,250 patients. It should be noted that she joined a GFWC club. All of Dr. Starita’s income from his book are given to a fund for educating Native American women. Our federation horizons of helping make our world a better place for everyone have truly expanded as it was reported that our GFWC International President’s 7 Grand Initiatives have received this response from members: 1,594 members joined the Legislative Action Center, 17,811 trees were planted on Arbor Day, 36,763 pairs of shoes were donated for Soles4Shoes and Nike Reuse-a-Shoe, 50,716 Dr. Seuss books were donated, 99 Members donated to the Million Dollar Club, 799 Projects were completed for Women in the Military, and 789 Projects were completed on Martin Luther Day of Service Day.
The Woman’s Club of Cecil County, Inc. - The club supports the GFWC MD president’s focus on military families. The club hopes to find a local military family to help throughout the coming year. We are presently in contact with our local VFW to accomplish this. The club also plans to hold a membership drive event.

GFWC Woman’s Club of Dundalk, Inc. - The Dundalk club is looking forward to another fun year. Our focus will be on membership and fundraising. This year our program includes a Fall BINGO and basket raffle, a restaurant gift card raffle, gift cards for homeless students, Rides for Recovery and lots of other community outreach programs to help our neighbors in the Dundalk community.

GFWC Woman’s Club of Greater Fallston - Club members gathered for a social breakfast before taking collected clothing and shoeboxes packed with toiletries, playing cards, postage stamps and small articles of clothing to the Veterans Administration facility at Perry Point. They continue to support Anna’s House, a shelter for women and children.

The Woman’s Club of Glyndon, Inc. - As a service club, we tend to the needs of our community. Needy children and their families at Reisterstown Elementary receive assistance in the form of food, supplies, and tutoring. Sarah’s Hope is given blankets made by our members. We sponsor programs and assist in youth art and scholarships for local students.

GFWC Joppatowne Woman’s Club, Inc. - Harford County Child Advocacy Center (CAC) provides training, prevention, and treatment services to fight child abuse and neglect and is our project for the future. Art supplies and therapeutic toys are gathered to assist therapists working with children at CAC. A donation was given to the CAC Program Director who discussed the “Adverse Childhood Experiences Study” at our May meeting.

GFWC Woman’s Club of Linthicum Heights, Inc. - Our club’s summer activities concluded with “Concerts in the Park.” Our Opening Tea in September will feature a celebration of our 80th Anniversary. Our history includes many “firsts” including establishing the first kindergarten in Linthicum, the first Linthicum Elementary School Library and the original Linthicum Library.

Myrtle Club - The Myrtle Club celebrates 120 years as the oldest Federated club in Maryland. The club participates in both state and GFWC projects. The annual workshop provides 100 tray favors for Meals on Wheels clients. In-kind donations support a local shelter and food pantry. As former Baltimore District presidents, members offer support for new administrations when requested.

Perry Hall Woman’s Club, Inc. - The club continues their support of the Eastside Family Center where they prepare meals twice a month for the clients of the center and maintain the newly-established library. A very successful youth art show was held. Members assist with delivering for Meals on Wheels. They acknowledge their local fire and police departments each year with a special breakfast.

Severn Town Club, Inc. - Another busy year! We supported a domestic violence shelter, sponsored two HOBY students, awarded scholarship funds to a community college student and donated books to B.I.G. for distribution to underserved populations. As in the past 55 years, the Holly Ball was our signature event. $32,000 was raised to donate to several worthy organizations.

Southern Lights - The Southern Lights Club consists of past presidents of the former Southern District. There are four of us. Our primary purpose was to assist Southern District clubs that requested our help. Since the consolidation with two other districts, we are now a social club. With our surplus funds last year, we supported HOBY.

GFWC Junior Woman’s Club of Pocomoke City - The club is busy supporting local educators during Teacher Appreciation Week. As “teachers plant seeds of knowledge that grow forever”, seed packets are sent to the three schools in our community. Supporting March of Dimes, club members make baby blankets and fill toiletry bags for new mothers.

GFWC Wicomico Woman’s Club, Inc. - This club is a patron of the National Folk Festival being held in September. The National Folk Festival, awarded Salisbury as the host for this free three-day outdoor event. It features over 350 of the nation’s finest traditional musicians, dancers, crafts people and boasts numerous children’s activities.

Over 230 high school sophomores attended this four-day seminar that was filled with activities that developed leadership skills. Each HOBY Ambassador also participated in a service activity. This year, please make all checks payable to Maryland Leadership Seminar Foundation or HOBY Maryland. (The bank is now willing to take HOBY Maryland checks.) Either one will work! School fees remain the same -- $225.00 school registration or $395.00 for a full sponsorship. Of course, any donation is greatly appreciated. Payments can be sent to:

A growing concern of personnel dealing with domestic violence is the abuse of elder adults. In almost all elder abuse and neglect incidents, the predator is a family member or caregiver. The statistics are alarming: according to Aging in Place, one in 10 Americans age 60+ have experienced some form of elder abuse. Fraud cost and elder financial abuse have been projected to be from $2.9 billion to $3.5 billion annually and is usually achieved by family members or scammers.

Types of elder abuse include (from the National Council of Elder Abuse and Neglect):

- Physical abuse
- Sexual abuse
- Emotional abuse
- Confinement
- Passive neglect
- Willful deprivation
- Financial exploitation

Educating the community, caregivers and family members regarding the increasing problem of elder abuse is crucial for prevention and awareness. If you suspect an elder person is in an abusive situation say something! Call 911 if the person is in immediate danger and let the authorities handle the incident.

As programs are being planned in your various clubs look into contacting your local Aging Agency, local hospital or the State Attorney’s office in your county to address this concern.

Gaining more knowledge and understanding about this dimension of Domestic Violence will assist in eradicating this type of abuse of the older population in our communities.

As we kick off a new club year, there are plenty of project ideas for your clubs to do to support children in your community.

Consider sponsoring a Tutu Wonderful Party. A GFWC NC club supported Girls on the Run, an organization that inspires girls to be joyful, healthy and confident using a fun, experienced-based curriculum that integrates running. Clubwomen hosted a “Tutu Wonderful Party” to fashion tulle tutus to donate to young girls to wear in their 5K race. A GFWC PA club offered new and used Halloween costumes to children for a town parade. At the end of September, flyers were distributed announcing the event and requesting donations of costumes. Members had purchased costumes at bargain prices after the previous Halloween. Two distribution days allowed children to try on and select the perfect costume. Consider supporting GFWC MD President Dottie Gregg’s theme with projects that support children and families in the military. Host a baby shower for military Moms or make no sew blankets to donate to military children for comfort while their loved ones are deployed. Support GFWC MD Director of Junior Clubs Andrea Lilly with projects that support her theme Take Me Out to the Park. Take time to plant trees, promote fresh air and beautify our land. Adopt a conservation program to help students to learn about the environment. Adopt a park or playground and have a clean-up day.

Mark your calendars for GFWC Advocates for Children Week 2019: Sunday, October 20 through Saturday, October 26, 2019. Club members are encouraged to plan events for that week that relate to the Junior Special Program. Recycle an old project or try a new project. Meet with your club members, assess the need in your community, pick a project and get started. Remember you can support our GFWC partners St. Jude Children’s Research Hospital and March of Dimes. Check out the GFWC Club manual online for more resources and ideas.
Parliamentary Pointers

Each constituent unit has its own way of choosing delegates. Hopefully, a club may be able to offer some financial assistance to the delegates representing them. Those eligible to be delegates to the GFWC Annual Convention are detailed in GFWC Bylaws, Article VIII, Section 8.2, Representation. Your state has specific rules for delegates to the state convention.

Before each convention, each club will receive the proposed bylaws amendments that will be voted on at Convention. Sometimes they will also receive proposed resolutions and/or proposed changes to resolutions. It is the duty of a delegate to be familiar with this material before getting to convention. Optimally, at a club meeting prior to convention, members will be made aware of these proposed amendments/changes and have the time to discuss them. If a club is opposed to one of the suggested changes, it may instruct its delegates to vote against a particular bylaws amendment or resolution. A delegate representing a club must represent the interests of a club and if instructed to vote for or against an issue must do so. In many cases, a delegate can vote her conscience while keeping in mind the interests of her club.

The proposed amendments to the GFWC Bylaws and Resolutions are distributed to clubwomen in the Clubwoman Magazine prior to convention. Delegates should bring their copy of the amendments with them to conventions, as copies are not typically available at the business sessions.

When a delegate gets to convention, it is her responsibility to register at the GFWC Registration Desk. At that time, she will receive her credentials and meal tickets. Delegates should look through all materials before the business sessions begin.

A delegate should be seated at each Business Session ten minutes before the session is scheduled to begin. She should have her Clubwoman Magazine with the proposed changes to Bylaws and Resolutions and paper to take notes. These notes will be very helpful when she goes home and prepares a report for her club. At the first general club meeting after convention, she should report the business that was conducted, as well as the other activities that make a GFWC Annual Convention so much fun.

Fiction seems to be the name of the game for our clubs’ book group selections this year. Whether it’s classic, historical, romance, or just plain fiction, we can all learn something from these stories. Each of our book group members has a unique connection, reaction, point of view, or memory associated with each book and we all benefit from listening to each other during our discussions.

Emma by Jane Austin was our first book of choice. Some of us felt the need to take a step back in time to when things seemed simpler. A Map of Betrayal by Ha Jin, had us questioning one’s loyalties; to oneself, to country, to family. And how a young persons’ choices can lead to a difficult future. Our next selection was The Indigo Girl by Natasha Boyd. We were first introduced to the main character when we read Founding Mothers by Cokie Roberts. Eliza, a 16-year-old girl who was left to run her father’s plantations, in South Carolina, in the early 1700s, while he went off to pursue his military ambitions.

Our summer reads include Wistlin Dixie in a Nor’Easter by Lisa Patton, about a southern family being uprooted to Vermont. And Beauchamp Hall, by Daniele Steel, where the female lead character escapes the dreariness of everyday life with her favorite TV show.

What works of fiction are on your reading list? Do you see your life reflected in these stories? How have the stories affected your outlook on life? Have they changed how you respond to your daily trials and tribulations? We can all learn something from works of fiction.
Adopt A USO Program

GFWC of Maryland has been invited by USO to spearhead their Adopt a USO Center Program, and our President Dottie Gregg was invited to select the center we would like to adopt! As President Gregg had first choice of locations, we looked carefully at availability of services, how remote it is, and if the USO Center is a size we can manage. We wanted to be where the military truly needed us, and the selection was USO Erbil, Iraq.

Erbil is a very remote location with few services. The USO Center there serves deployed troops, providing a connection to their families, relaxation, a little time to pick up toiletries and snacks, call home, and get on a computer talk to their families. They have a program for parents to read books to their children, then send the recording and the book to the family back home. This is how it works:

Please consider supporting the USO center with in-kind gifts. Copy and paste this link: https://www.amazon.com/registry/wishlist/HW2YRTKGTRGR/ref=cm_sw_r_cp_ep_ws_-YkTBbYS1RESG into your internet browser, and you will be directed to the USO Erbil Amazon wishlist. Select what you want to send, and then go to checkout. There is no tax, and orders we have tested were large enough to have free shipping. The address is:

USO
Camp Erbil
APO, AE 09305
United States

Add a gift card note through Amazon so you can send an encouraging note, add your club name and address so they can send you a thank you. It is incumbent on each club to keep track of all orders, both club and individual, for reporting purposes on your Public Issues and President’s Special Project reports.

This is a new, innovative program, and I am both impressed that the USO came up with this idea, and honored that the USO trusts us, GFWC Maryland, to be on the leading edge of this program. Thousands of service members look to the USO for support during deployments far from home. Thank you for your support!

The “Gold Lady” Returns!

Unfortunately, Kristine Southworth, our “Gold Lady” was not able to attend our MFWC Convention this past April in Annapolis. But never fear! She will be attending our Tuesday, September 17, 2019 MFWC State Board Meeting at Holly Hills Country Club in Ijamsville. All you need to do is bring in your tired, old, broken gold jewelry, white gold jewelry, platinum jewelry and even silver jewelry. Just look through your old jewelry box and look for broken, twisted or bent jewelry, class rings you never wear, dental gold, sterling silver, single earrings that lost their mate, jewelry from your exes, any gold that has been laying around for years, or any jewelry that you know your grandchildren or great-grandchildren wouldn’t want. Kristine will weigh it and pay you cash for whatever you would like to get rid of. Even if you are not certain if your items are gold or silver, she is able to test it and will determine its weight and value. If your pieces have stones, Kristine can usually take them out for you. She will be honest and let you know if she feels a piece of your jewelry is better to hold onto or sell as a whole piece. So, bring in your old jewelry and walk out with some cash at our next state meeting!
In Memoriam

Frances Jane Thomas  
December 29, 1926 - November 10, 2018
Frances Jane Dunton Thomas was born on December 29th, 1926 in Norfolk, VA. She had an older brother, Tommy, an older sister, Ivy, and two younger sisters, Ruthie and Sarah. Upon marrying Charles Thomas, they became a His, Hers and Ours blended family since they both came to the marriage with children and then had two children together.

Fran and her late husband, Charles, enjoyed traveling and spending time with their large family of eight children. The family enjoyed vacations at the beach, crabbing, and family gatherings at holidays. Fran was an avid reader and an amateur genealogist. She became a member of Linthicum Baptist Church in the 1960’s, and was well-loved by family, friends and everyone she met. She had a ready smile for all.

Fran was very active in the General Federation of Women’s Clubs, Inc., making many new friends and memories. She was a long-time member of the GFWC Woman’s Club of Linthicum Heights, Inc. and was the club president from 1994-96. She was the president of the Southern District, Inc. of the Maryland Federation of Women’s Clubs from 2002-2004. She also served as the treasurer of the Maryland Federation of Women’s Clubs. Fran and Charles bought one of the oldest former Linthicum-family-owned houses in historic Linthicum and graciously opened their home for two of the woman’s club’s Historic House Tours.

Fran is survived by her sister, Sarah Tate, and her eight children. Fran will be missed by her family and her many friends.

Frances “Bettie” Elizabeth Conner Mueller
Bettie was laid to rest on February 15, 2019. Born and raised in Baltimore, she met and married John L. Mueller, Jr., better known as Jack. Bettie was the loving mother of six, grandmother of 16 and great-grandmother of seven. She was a steadfast friend and generous to a fault. She cherished her family and many friends and had a passion for reading. Being 100% Irish, she was proud of her heritage. She never missed the St. Patrick’s Day parade and the social mingling which followed.

Bettie was active in the Mt. St. Agnes Alumnae Association and the Baltimore Civic League. You could find her at the annual Flower Mart festivities selling the beloved lemon sticks. We remember her as a dedicated member of the Maryland Federation for over 50 years. She was a constant at every GFWC International Convention and Southeastern Region Conference until she was no longer able to do so. She served as president of The Yorkewood Woman’s Club three times; held a variety of offices in, and then became president of the Baltimore District in 1994. As a member of the Myrtle Club, she served as secretary, treasurer, and as president in 2002. Her presence and sense of humor brightened many conventions and Board of Directors’ meetings with her off-the-cuff remarks when things got dull. Her mudslides were legend. Her contributions to The Federation over the years were many and she will be missed.
